'CHAMPION OF THE TYNE'

It is intended that all divisions be rowed upstream from Stella through Newburn Bridge to the steps at the host clubs, but some or all may be rowed downstream depending on conditions. The course will not be buoyed and there will be a free start in all races.

To be run under the British Rowing *Rules of Racing*. Please see the *Instructions to Clubs and Crews* for local rules and guidance on rowing and other matters.

Entry fees £9 for each seat, coxes free. Entries and payment on BROE only; payment will be due by close of entries. Unpaid entries will not be drawn.

Entries open at 6.00pm on Monday 16 May & close at 8.00pm on Thursday 16 June

Tyne Regatta

Saturday 25 June 2022

Terms and Conditions

1. At the time of issuing this poster it is the intention not to have any specific Covid-related restrictions or precautions. However, please note that should national circumstances dictate these may have to be introduced.
2. Entries will be by BROE only and will open at 6.00pm on Monday 16 May and close at 8.00pm on Thursday 16 June. The draw will be made by Monday 20 June and will be sent to entering clubs by email and put up at www.tynerowingclub.org as soon as possible thereafter.
3. We will endeavour to run events with at least four entries in each, i.e. to give at least semi-finals and a final. Depending on numbers we may band any event based on the Crew Ranking Index to give fair but competitive racing. Events may be in two or three lanes.
4. We reserve the right to say that Junior crews will 'row up' or that Masters crews will row in a combined age group (with age handicaps being applied). We will contact clubs to discuss how to give a crew a race if there is not an immediately obvious solution.
5. Given that there is a free start, we reserve the right to apply age handicaps at the finish should conditions (primarily wind) make it impossible to apply them at the start.
6. There will be no doubling up of crew members within divisions. Doubling up of boats within divisions may be possible, but must be agreed in advance.
7. Event fees are not refundable once the draw is published except that if the regatta is cancelled due to weather or unforeseen circumstances, in part or in whole, we will refund all entry fees for events not run subject to a deduction covering unavoidable expenses.
8. Boating for visiting clubs will take place from Tyne ARC and possibly Tyne United RC. Clubs will be advised of boating locations and start times when the draw is published.
9. Race Control, First Aid, collection of numbers and weighing of coxes will be at Tyne ARC. Coxes requiring deadweights must bring their own, clearly identifiable, weights.
10. All crews must compete as per their entry on BROE. However, **subject to being allowable under the Rules of Racing**, substitutions can be made on BROE up to start of the competition or notified to the entries desk on the day by the time of their race. Those notifying changes in person should provide the submitting club name, crew involved, and the names and BR membership numbers of those being subbed in and out. Crews (including coxes) found to be racing not as per BROE (or as notified in person on the day) will be disqualified.
11. All boats must be fitted with plastic slots for bow numbers. Boats may be inspected to ensure they meet with the safety standards set out in the Rules of Racing and may be turned back from the steps if not compliant.
