

TYNE HEAD – 11 February 2023

FINISH AREA PLAN – issued 01-02-23

Crews returning to NUBC and TURC must use the arch of Newburn Bridge as shown (or as otherwise directed if tide low), move downriver and cross to the south side only when instructed by the launch marshal in the location shown. **Crews failing to do so and thus causing a risk to others may be issued with a time penalty of up to 60 seconds or disqualified.**

On passing the finish line crews must move upriver away from the finish and **above the top marshalling launch and buoy** before turning towards the north bank and proceed back to Tyne ARC or below Newburn Bridge if returning to NUBC and TURC. **Crews failing to do so and thus causing a risk to others may be issued with a time penalty of up to 60 seconds or disqualified.**

During the race crews **MUST** use one of the two centre arches of Newburn Bridge. **Crews using either outside arch during racing will be disqualified.**
