

## AGM Paper

### TARC Membership Fees

The Rowing Committee are proposing to review the fee structure over the coming year to examine coaching, membership bands, family membership, etc. However, we think it is important to recognise inflation and the rising costs of running the club and propose at this AGM a modest rise capped at 5% per member.

Ahead of the full structure review, the proposal is to amalgamate the land based membership into a single category and remove the off peak reduction.

We would like to remind all members that the Membership Fees do not cover the cost of the rowing activity at TARC. We require the income from events such as Rutherford Head and fundraising by individual squads to enable activity to continue. So please support these initiatives throughout the year to enable us to keep the fees as low as possible.

#### TARC fee structure

Membership or fees category	2023/24 £ per year	2023/24 £ per month	2022/23 £ per year	2022/23 £ per month
Full member - rowing (waged)	£414	£34.50	£396	£33
Full member - rowing (unwaged/student)	£324	£27	£312	£26
