25th September 2012

Dear Member

Annual Dinner
Saturday November 2012

Tyne Rowing Club would like to invite you and your guests to their annual dinner on Saturday 3rd November 2012 at the Mansion House in Jesmond; Newcastle upon Tyne.

2012 is the 160th anniversary of Tyne Rowing Club which marks another important milestone in the clubs history.

It has also been a very successful year for the club with successes at all levels from Juniors to Masters, men and women. The Junior section had many victories with the highlight being a gold in the National Championships at junior 14 single sculls, a category that always has some of the very best young prospects competing in, and two silver medals in women's double sculls events. Of special note was Keiran Emery's continuing success representing GB at international level, this time with a gold in the under 23 World championships.

Dinner is 7.15 for 7.45 and the cost is £35.00 per ticket payable to Tyne R.C.

I hope that you will join us for what is an enjoyable evening amongst friends. Please bring your spouse, partner, friends and or colleagues, all are welcome.

Facilities are available at the Mansion House to leave vehicles overnight for those wishing to come by car and get a taxi home.

I look forward to seeing you there.

Yours sincerely

Tyne Rowing Club Dinner
