Buy-a-Brick Scheme

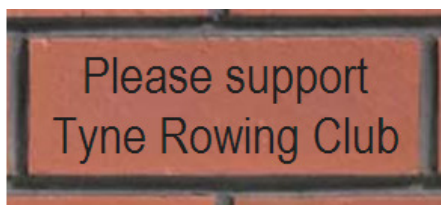

Carve Your Name in Tyne Rowing Club History and Buy a Brick in the New Clubhouse!

Tyne Rowing Club is pleased to offer the opportunity for club members, friends, supporters and businesses to purchase your very own engraved brick in the new clubhouse!

We will be setting aside a wall within the bar area which will be dedicated to our supporters, becoming your legacy to the Tyne Rowing Club New Clubhouse Project! We have priced bricks starting from just £35 in the hope that everyone will participate. You can buy dedicated bricks as an individual, family, sports team or crew, group of friends or business.

Brick Size	Black Lettering	Gold Lettering

You can choose from either:

A single brick with 2 lines of text; or

A double brick with 4 lines of text.

Each brick measures 210mm x 105mm and double bricks 210mm x 210mm. The lettering is professionally engraved with a long-lasting coloured infill of either black or gold.

ABOUT THE NEW CLUBHOUSE PROJECT

Tyne Rowing Club is based on the River Tyne at Newburn, just west of Newcastle upon Tyne. We have the longest and best stretch of river for rowing in the north of England. We have active squads for men, women, veteran men, intermediates, novices and juniors. A registered community amateur sports club, the Club now has over 220 members ranging in age from 11 to 90.

Our 'old' clubhouse was built in the 1950s when we relocated from near Scotswood Bridge. Due to the growth in membership and increased participation in the sport of rowing, it is recognised that current facilities now struggle to provide optimal training, changing and storage facilities to meet registered demand. The club also wishes to play its part in the wider city community forming partnerships with organisations supporting disabled athletes, military veterans and youth groups.

The £1m project is being part funded by a grant, a bequest from the late John Dalkin. Whilst this represents a very healthy start, there is still a substantial sum needing to be raised through loans and fund-raising activity by the club. Sponsoring a brick is just one way in which you can help us reach our goal!
