

RUTHERFORD HEAD – 7 December 2019

BOATING PLAN - (PLUS WARMUP FOR CREWS 1-30 & 151-180)

Crews boating from TARC should boat facing upstream and 1-30 & 151-180 can go as far as the White House (very obvious) upstream to warm up if you wish.

Crews boating from TURC or NUBC should boat facing downstream and 1-30 & 151-180 can warm up with a circuit on the 1km Newburn straight following the circulation plan below before setting off to the start.

Everybody please obey the normal rules of the river till near the start marshalling area - keep to starboard!

Crews boating from NUBC should NOT pass through Newburn Bridge during their warm up.

**Final as issued
02-12-19**
